of Ernakulam or Cochin State are going to convert the College into godowns. You are counting without your host to do that.

Dr. A. G. Menon.—Of course, I did not mean that and the Hon'ble Member for Trippunithura says that it is going to be converted into a godown.

Mr. Thomas Manjuran.—So, let us not count upon the College buildings.

Motion No. 1.

Mr. A. B. Salem.—*To omit the allotment of Rs. 16,000—under XXVII—Public Works.*

Mr. A. B. Salem.—I beg to move the total omission of Rs. 16,000 for Public Works. The reasons are partly these. If the Anapara College scheme is to be materialised, there will be sufficient buildings here to house all these courts. That is one objection. The second objection is, there is dearth of space for all these offices. Then Government should have a bold policy of putting up a pucca District Court, as I have already suggested somewhere, where all the records of the main court as well as the Additional Courts can be located. The reason for not finding a place other than the locality where the Chief Court and the District Court are now located is, that the records to be shifted that side and this side would be found to be difficult. The records must be in the main District Court and it would not be convenient to put the Additional Court somewhere else, at a distance, where the records cannot be easily available and where the records cannot be properly looked after. Therefore, the Government must have a bold policy for that purpose. I am not standing in the way that no Additional Court should be built. But the Government have to see definitely whether these buildings are available or not and whether a pucca court cannot be built. Upon these grounds, I want the Government's reply.

Dr. A. R. Menon.—As in Trichur where houses are rented for the District Magistrate's Court and the Sub-Magistrate's Court, you rent one for the Additional Court, at Ernakulam also for a period of two or three years. And when once for all the College is shifted from Ernakulam to Anapara, these buildings will be available for public purposes within a period of 3 or 4 years. I ask the Government whether they could not rent some house for housing the courts as they have done for the last so many years in Trichur. What is good enough for Trichur should be good enought for Ernakulam also. There also, let the people of Ernakulam enjoy a portion of the inconvenience.

Mr. P. Krishna Menon.—But not so many untenanted houses here.

Dr. A. R. Menon.—Now, there is one difficulty that there are no houses at all worth tenanting. I would show them. There are plenty of Government places available vacant which are not made use of. They can be made use of as temporary buildings. Since the College is to be shifted, those buildings will be vacant and such a large building will accommodate any number of District Courts, half-a-dozen you like, half-a-dozen Bar libraries and a dozen Bar rooms.

Mr. V. K. Aravindaksha Menon.—The Member suggests that a building may be rented for 3 or 4 years till the College is shifted to Anapara. It is difficult to find houses in Ernakulam near the Principal Court. So, I don't think that the suggestion is feasible.

Dr. A. R. Menon.—Why not make use of Krishna Vilas ? That is unoccupied now.

Mr. V. K. Aravindaksha Menon.—The Member forgets that it is a Palace.

Mr. A. B. Salem.—I don't press.

The motion was with leave withdrawn.

The demand for Rs. 16,000 under XXVII—Public Works was put and carried.

(13) **I—Land Revenue (d) Temporary Establishment—Cranganur—Rs. 75.**

Mr. T. M. Krishna Menon.—I rise to move an additional allotment of Rs. 75 under Land Revenue—Temporary Establishment—Cranganur. This amount refers to the pay of the temporary surveyor appointed under the Cranganur Estate. His term had to be extended for two monts because his work is not over, and it is to meet his pay this additional allotment is wanted.

Motion No. 1.

Mr. A. K. Kunhi Moideen.—*To reduce the allotment of Rs. 75 under I—Land Revenue—(d) Temporary Establishment —Cranganur—by Re. 1.*
